TO WHOM IT MAY CONCERN:

Advanced Stucco Design has been performing work for Palace Construction Company, Inc., for almost 20 years. They have done everything from small repairs to million dollar construction defect projects.

Advanced Stucco has always taken care of any of our stucco repair or replacement needs. They are very experienced in all aspects of stucco repairs and new construction best practices.

Palace Construction Company recommends Advanced Stucco Design for both repair and new construction projects.

Best regards,

A handwritten signature in blue ink, appearing to read "Matt Seewald", is written over a light blue circular stamp or watermark.

Matt Seewald
Vice President
