To: Whom it May Concern

Re: Sub Contractor- Advanced Stucco Design, Inc.

I have worked with Advanced Stucco Design, Inc. for the past fifteen years on various stucco repair projects. The owners and employees are professional and efficient. I have been pleased with my experience with Advanced Stucco Design, in fact they are the only people I trust to perform my work.

If you have any questions, please contact me at this office.

Sincerely,

RECON Construction Company Inc.
